Honoring and remembering our veterans for their service and recognizing those who make a difference.

Since 1974 the Sons of AMVETS mission has been to support our nation's veterans, their families and communities through our programs. The National Sons of AMVETS was chartered in 1983 to further the cause of the organization. Veterans Arts and Crafts, Scholarships, Scooters for Vets, Camp Hope, AMVETS Diabetes Research Institute, Crohn's & Colitis Foundation, Active Heroes and St. Jude's Children's Hospital are a few benefactors of the Sons of AMVETS.

Honoring and remembering our veterans and their sacrifice is part of our mission. We will not forget those who have paid the ultimate sacrifice to protect our freedoms. We continue to show our appreciation to Goldstar families through our Honor & Remember program. Throughout the year our Honor Guard along with Veterans and the AMVETS family pay respect to those who served by placing wreaths at the memorial on the national mall in DC

And we are thankful for the many who have been true champions of the Sons of AMVETS. We recognize those who support the Sons of AMVETS in completing our mission. Annually the Aid and Support Crystal Eagle is given to an individual who assist and promotes the Sons of AMVETS to better serve our veterans and communities.

Making a Difference

SONS SERVING VETERANS

The Sons of AMVETS sponsor various community projects. These include Americanism, legislative and scholarship programs, food drives and many others. We continue to support our veterans through our ongoing programs. This includes sweats for vets, Veterans Arts and Crafts, Undergarments, Veterans Lodging and assisting grants programs.

LEGISLATIVE PROGRAM:

Our legislative program and working to ensure our veterans receive the benefits they deserve is a top priority. March of 2014, every Senate and House office received the AMVETS legislative priorities, including 271 face to face meetings. SERVING VETERANS AND COMMUNITY:

And each year scholarships are awarded at the local, state and national levels to assist students with their education.
