**Commander**

National Sons of AMVETS Officers, Members and Guests,

Greetings from your National Sons of AMVETS Officers and Headquarters Staff. I know we have all had a busy year working hard for our Veterans, their communities, and families. Thank you for living up to our motto "If you want something done, ask a Son!"

Per my announcement to the National Sons body and AMVETS family at the 2022 Spring NEC, I was faced with finding another worthy cause to call my Commander's project. On May 20, I visited "Operation Second Chance", a 501c3 organization that supports wounded service members. A 275 acre retreat center, located atop a mountain that sprawls across the Maryland/Pennsylvania boarder, provides a safe haven for "Helping Heroes Move On". After my tour, it was clear to me that Operation Second Chance was just the place I was looking for. I'd like to ask for your support of my project. More information is available on our website and in the most recent mailing from Sons National Headquarters.

To the outgoing officers, Job Well Done. Your service and dedication are greatly appreciated. To the incoming officers, as you take the Oath of office and continue the work that began many years ago, I know you will work hard for our Veterans and our programs.

It has been an honor to serve as your National Commander this year and I appreciate the support you have given me. I have enjoyed my visiting squadrons across this great Nation. You have been generous with your hospitality, gifts, and donations. Again, THANK YOU!

Best wishes for a successful convention as we continue serving those who served.

God Bless America and our Veterans.

Commander Paul R. Speigle  
National Sons of AMVETS
